

DEV IN NATIONAL SCHOOL

ANNUAL REPORT OF 2022-23

Dev In National School is a premier co-educational school that focuses on the all-round development of its students. The school has a proud history of excellence in education, sports, and cultural activities.

The academy provides a safe and nurturing environment for students to learn and grow. The following Annual report highlights the achievements made by the academy during the academic year 2022-23.

Dev In National School commenced the academic session 2022-23 after pandemic in full pledge from 22nd May 2022 and ended on 13th April 2023. All necessary precautions were taken before starting the session and students were given 15 days bridge course before starting the syllabus.

The School conducted all activities as normal school even opening after pandemic, students, Parents and Teachers responded well and adjusted to the system after long gap of two years.

School conducted morning assembly, Co -curricular activities and Sports as per the guidelines of CBSE and opportunities are provided to students participate in many competitions.

School conducted many special events namely, investiture ceremony , Independence day , Sports Day, Inter School Sports, Annual Day , Republic day , Grade X Graduation Day and many more events.

The School conducted the Special days like International Yoga day, Environmental day , Earth day, Genesha, Deepavali , Krishna Janmastami ,Bakrid , Christmas Day, New Year ,and many more.

Efforts Made in the Field of Environment:

We believe that it is our responsibility to take care of the environment, and hence we encourage our students and staff members to be environmentally conscious. Our School has taken several initiatives to go green. We had planted saplings in the school during Van Mahotsava . Grade 8, 9 and 10 students had taken out a rally in the neighboring areas to create awareness regarding saving the trees and to keep the environment clean. In addition, we have initiated a waste management program to reduce, reuse, and recycle waste.

Efforts Made in the Field of Education:

Education is our primary focus, and we strive to ensure that our students receive the best education possible. We have a team of experienced and dedicated teachers who use innovative teaching methods to engage students and enhance their learning experience. We have implemented a technology-enabled learning system to provide personalized learning to our students. We have also introduced French a foreign language program to enrich the language skills of our students.

Academic Achievements;

In Academic Session 2021-22 : 15 students out of 44 students secured above 90% with 100% pass percentage. Kumari: Prathiksha P Shetty stood first with 98% , Master Dhanvi Surya was second with 97.4% and Master Anshuman Sarangi was third with 97%. Master Dhanvi Surya and Kumari Prathiksha P Shetty secured centum in mathematics and they were awarded by Sahodaya Bangalore . Dev National school also awarded by Sahodaya for their outstanding result CBSE Result.

In academic Session 2022-23 : Recently declared CBSE result , students of Dev IN brought laurels to their parents and School with very good result . 17 students scored above 90% out of 48 students and Master Alok Naik is the topper with 98.2%

Sports are an integral part of our academy's curriculum, and we encourage our students to participate in various sporting activities. We have state-of-the-art sports facilities, including a swimming pool, cricket, Badminton court, and football field. We provide specialized coaching to our students to excel in their chosen sports.

This year we are pleased with the achievements of our students in various disciplines of sports state and national level. This has indeed raised the school's sporting profile. I would like to take this opportunity to congratulate our students' and teachers for achievements of this year both academic and sports

I would like to highlight the efforts made by the managements to raise the standard of our school after pandemic by improving infra structure as few mentioned below;

1. Adding class rooms
2. Installing CCTV camera and internet cable to all class rooms.
3. Installed Smart Board in 15 class rooms and planning to installed in all class room in phased manner
4. Opening one more Computer Lab adding 35 more computers.
5. Developing Kindergarten activity hall along with Montessori lab

School management is continuously putting sincere effort to improve the standard of both academic and curricular activities in the school. I would like to thank all parents for their support and feedback throughout the year.

Parent-Teacher Activities:

We believe that parental involvement is essential for the success of our students. We have conducted several parent-teacher meetings, workshops, and seminars to keep parents informed about their child's progress. We have also organized cultural events and sports meets to encourage parental participation.

Important School Management Committee Decisions:

The school management committee has taken several important decisions during the academic year. We have introduced a new leadership program to develop leadership skills among our students. The academy has also decided to implement a health and wellness program for the benefit of its students and staff members. It was also decided to upgrade school to Grade XI and XII and increase the number of section to four up to grade X with adding two more optional languages Hindi and French. It was also decided to upgrade the Libratory as per requirements.

Achievements:

Our students have made us proud by excelling in various fields. Our students have won several awards and accolades in sports, arts, and academics. In addition, many of our students have secured admission to prestigious colleges and universities.

Conclusion:

Dev In National School is committed to providing quality education and holistic development to its students. We are proud of the achievements made by our students and staff members during the academic year. We are constantly evolving and innovating to improve the learning experience of our students. We thank our stakeholders, including parents, teachers, staff members, and students, for their continued support.
