Dear Parents,

As per the recent circular of Government of Karnataka, age criteria should be 6 years as on 31st May for Grade I admission from the academic year 2025-26. It was 5 years 5 months all through these years.

The Date of Birth of your child is _____ & he / she will not be eligible for Grade I admission in the year he / she will be going to Grade I. This rule is in accordance with the New Education Policy 2020.

Keeping in view the age criteria mentioned as per the New Education Policy 2020, the school management has come up with the following options:

Option 1:

Repeating the same grade by paying 70% of the Term Fees (60,000).

Option 2:

Taking a gap of one year & admitting them in next session with the condition that admission is taken before 31st December by paying 1st term fees.

Age criteria issues are seen in Nursery & Prep I. Parents are requested to give a thought & give your option for the same at the earliest, but not later than 29/03/2023.

Regards

The management & staff of DNS are eager to welcome our kids to school for session 2022-23. There is no option of online classes & regular attendance in school is mandatory. Re-opening the school full pledged is a challenge for both parents & school management as students are coming to school after a gap of two years. Hence, co-operation from parents will have a great help in streamlining the offline classes. It is also important to follow COVID protocol for safety of everyone.

The students should be dropped to school at 08:15 AM & pick them up at 03:00 PM. They have to be picked up on Saturdays at 01:00 PM. No child is allowed to enter school gate after 08:25 AM.

It is mandatory for students to wear school uniform for all school activities. Monday & Thursday is formal uniform & other days is sports colour uniform.

We have planned the bridge course for initial 15 days for grades up to VIII so that students will get time to adjust to the changed scenario & bridge the learning gaps.

We have decided to be strict in implementing the school rules & regulations for the benefit of our students & effective curricular transactions. Hoping for your co-operation & support as ever to make the Dev-In as temple of learning & human making.
