BOOKS PRESCRIBED FOR DIFFERENT GRADES

CERTIFICATE

The books prescribed for Grade I – VIII follow the CBSE syllabus and are published by reputed publishers in accordance with CBSE guidelines.

Generally, from Grade VI to X, we prescribe NCERT books. However, due to a change in the Grade VII and VIII syllabus this year and the unavailability of NCERT books on time, we adopted textbooks from private publishers for these grades.

For Grades IX and X, NCERT publications are being used and teachers prepare their lesson plans and conduct classes based on these books
